My Dogs Are Very Nervous and Don't Like Strangers – Will They Be Ok?

We would meet with your dog at the Meet and Greet so that they can get to know the Pet Sitter before the Wedding.

Some brides also decide to book dog walks prior to the wedding so that the Pet Sitter and their dog can get to know each other.

If your dog is extremely nervous of crowds of people then sometimes it is better to only include them in the photos and not have them in the actual ceremony.
